## Do Not Sell My Personal Information

If you are a California resident, the California Consumer Privacy Act (“CCPA”) provides you with the right to opt out of the “sale” of your Personal Information. Government Executive Media Group (“GEMG”) generally does not directly sell your Personal Information in the conventional sense (i.e., for money). Like many companies, however, we use services that help deliver interest-based ads to you and may transfer Personal Information to business partners for their use. Making Personal Information (such as online identifiers or browsing activity) available to these companies may be considered a “sale” under the CCPA. Some transfers of your Personal Information may not be considered “sales” and certain exemptions may apply under the CCPA.

Please review our [Privacy Policy](#) for a more detailed description of how GEMG collects, uses, and shares Personal Information in operating our business; your privacy rights as a California resident; and how to exercise your rights as a California resident. If you have any questions, please contact [Privacy@GovExec.com](mailto:Privacy@GovExec.com).

**To request that GEMG may not “sell” your Personal Information via the use of cookies, please use the below tool.** Please note that if we determine or reasonably believe that you are not a California resident, we may invalidate your selection and/or reject your request.

## **Do Not Sell Preferences**

### Always Active

We do not allow you to opt-out of our certain cookies, as they are necessary to ensure the proper functioning of our website (such as prompting our cookie banner and remembering your privacy choices) and/or to monitor site performance. These cookies are not used in a way that constitutes a “sale” of your data under the CCPA. You can set your browser to block or alert you about these cookies, but some parts of the site will not work as intended if you do so. You can usually find these settings in the Options or Preferences menu of your browser. Visit [www.allaboutcookies.org](http://www.allaboutcookies.org) to learn more.

### Sale of Personal Data

We also use cookies to personalize your experience on our websites, including by determining the most relevant content and advertisements to show you, and to monitor site traffic and performance, so that we may improve our websites and your experience. You may opt out of our use of such cookies (and the associated “sale” of your Personal Information) by using this toggle switch. You will still see some advertising, regardless of your selection. Because we do not track you across different devices, browsers and GEMG properties, your selection will take effect only on this browser, this device and this website.
